We can search for our participant two ways:

- first name/last name/date of birth
- HCR number

Now that we have found the participant, we can link a the participant as indicated by the red arrow.

Once you have linked the participant, we need to select a relation from the drop down menu. There are a number of options that will appear in the list.

Now that we have linked our participant's, we can view our qualifications. In order to view our qualifications, we must be in members (as indicated by the green arrow on

the left) and then	Link a member		×	Link a member		×
