PROSPORTS**

The Super Sport program is designed to encourage minor hockey players in the tyke - peewee divisions across Canada

**TO WORK HARD, PLAY FAIR,
AND MOST OF ALL, TO HAVE FUN!**

The "Super Sport" award is designed to reward young athletes between the ages of 4-12 for their commitment, willingness to compete, sportsmanship and fair play.

It is not intended for the "best" player on the team or the one who scores the most goals.

Markham Pro Sports administers the program and its intention is to instill a sense of fun and love for the game.

Coaches, managers and parents will ensure that all players are recognized for their own personal achievements over the next few months.

**THE SUPER
SPORT PROGRAM
RUNS
FROM NOVEMBER 1
TO APRIL 1**

Players are rewarded a "Super Sport of the game coupon" that they can redeem @ Markham Pro Sports for a free skate sharpening and training puck!
