Introduction

Thank you for volunteering to manage your team. The team manager's role is crucial to the successful operation of a team. You are a central figure in creating the flow of communication, not only within the team—players, parents, and coaches—but between the team and all support systems such as the association's administrator, Convenors, other teams, referees, officials, etc.

Simplistically, a team is like a small business—the coach is the CEO and you are the CAO. By taking on the operational aspects of the team, you enable the coach to focus on player development and on-ice instruction. Together you provide the players and their families with rewarding hockey experiences.

Ultimately, you are responsible for ensuring all the off-ice tasks are completed. However, this does not mean that you must do it all. You just need to make sure that it gets done—delegate! A 'divide and conquer' approach can be extremely efficient. Focus on the primary roles of organizing, planning, and overseeing.

This manual provides information to aid you in the smooth operation of the team by identifying key topics that you will need to address and providing answers to common questions that arise over the course of the season. Numerous appendices including samples, templates and a glossary of terms are included to assist you in pre-planning and organization. Take advantage of all available resources, such as other team parents and the appendices and websites listed in this manual, and the season can be a successful one.

Updates

All new topics and updated information are noted with  in the left margin.

Definitions

Additional Entry	A second (or third) entry representative team from a centre that has already entered a representative team in the same division
Affiliate	The process allowing teams the opportunity to dress the maximum number of players allowable in accordance with Hockey Canada Playing Rules

Rostered Select Program

The Markham Waxers Select program provides added development opportunities for house league players interested in upgrading their skills and participating in a more competitive environment. The program is eligible to Markham residents registered in the Markham Waxers house league program.

Players and bench staff participate in both house league and on the rostered select team, with their house league team as their priority. As per the MWWHL Manual of Operations:

If a house league player is an Affiliate Player (AP) on a Markham Waxers team or is a member of a Waxers Rostered Select (RS) team, their priority is their House League team. AP and RS players MUST attend their house league games and practices to be permitted to participate in Waxers or RS games and practices. If a Waxers or RS games occurs at the same time as a House League game or practice, he/she is obligated to attend the House League game or practice. Under no circumstance is an AP or RS player allowed to miss more than three (3) House League games during a season.

In addition to their weekly house league practice and game, rostered select players practice with their team, play in up to three exhibition games per month, and enter up to three tournaments per season. Body checking is prohibited in select games.

Team Administration

While on-ice team officials (coaches and trainers) play a crucial role on the team, the off-ice work done by team managers and treasurers is equally vital to a team's successful season.

Team Manager Responsibilities

- Coordinate the team schedule
- Register for tournaments
- Book extra ice
- Schedule exhibition games
- Submit the team roster
- Complete the game sheet
- Serve as administrative team contact for the association
- Coordinate team administration
- Serve as treasurer on teams without a designated treasurer

Note: the manager cannot be the head coach's spouse/partner.

Treasurer Responsibilities

- Open a team bank account
- Manage the team's finances
- Coordinate fundraising efforts
- Coordinate team sponsorships
- Collect and deposit all monies
- Pay Waxers invoices
- Track expenses
- Balance the budget
- Update parents on the team's financial status

Team Volunteers

Volunteers play an essential part in the success of a team. Outline the expectations of all the families on the team. Examples of positions on the team that can be filled by parents:

- Game volunteers (music, stats)
- Snacks
- Communication
- Sponsorship Coordinator
- Sponsorship Committee
- Fundraising Committee
- Social Committee
- Website Maintenance

Team Finances

Team Bank Account

Team management must open a bank account for the team at the bank of their choice. Community/Not-for-Profit plans can help you minimize fees and manage your finances more effectively. Fees for community accounts vary significantly. Shop around paying heed to the cost per item deposited per month.

The account must be set up requiring a minimum of two signatures to authorize each withdrawal and cheque. The two signing officers cannot be family members. If one of the signing officers travels out of town frequently, the team should consider adding three to the account.

Bank account names will be in the following format: Markham Waxers (year of birth) Select Team. For example: Markham Waxers 2009 Select Team.

Banks require an original authorization form to open a community bank account. Complete the [Bank Account Authorization Letter Request form](#), which is available in the Forms section of the Waxers website. If the team is retaining a bank account from the prior season but needs to change signing officers, complete the [Update Bank Account Signing Officers form](#), which is also available on the website.

When opening the account, complete the account number and date opened fields on the authorization form and have the bank stamp the form. Return the original to the Waxers Treasurer and keep a photocopy for the team.

When the account is closed, the team photocopy should be marked "Account Closed" and submitted to the Waxers Treasurer. Do not close the team bank account until the administrator verifies the team has no outstanding invoices or refunds.

Team Budget

The coach presents the parents and the Select Convenor with an initial team budget at tryouts. The budget is discussed at the initial parent meeting.

Budget updates are presented to team parents, the Select Convenor, and Waxers Treasurer in October (at the beginning of the season), January (mid-season), and March (season end).

Examples of revenue:

- Player fees
- Fundraisers
- Sponsors
- Other revenue (e.g., selling ice)

Examples of expenses:

- Team assessment fees
- Referee fees
- Timekeeper fees
- Ice rentals
- Equipment rentals
- Private instructors

- Tournament fees
- Travel costs
- Meetings
- Photos
- Team events

Fees

Waxers Fees

Waxers Fees amounts are determined annually by the Waxers Board of Directors. The fees pay for insurance for players, coaches, and on-ice volunteers; OMHA and YSMHL registration fees; Markham Waxers pins and helmet stickers; and the team's share of the Hockey Development and Waxers administration costs.

Cheques should be made payable to *Markham Waxers House League*.

Rostered Select team fee is \$250 per team. Fees are payable at the start of the season.

Season Ice

The administrator will invoice each team for season ice at the association's blended rate. For budgeting purposes, budget 21 weeks at \$260/hour.

Additional Ice

The administrator will invoice each team for any additional ice purchased from the association at the ice contract rate. Use \$260/hour for budgeting purposes.

Sponsorship

Teams are responsible for obtaining team sponsors. The association does not issue tax receipts for team sponsorships. Teams may issue a receipt for sponsorship on Waxers letterhead. Please explain to your sponsors that sponsorships are not tax deductible—we are not a charity.

Sponsors may ask for information verifying the team's not-for-profit status. Contact the administrator for assistance.

Sponsor bars are allowed only above the lower back hem of Waxers jerseys.

Team Apparel

Waxers teams must conform to Markham Waxers uniformity by wearing the following in all pre-season, regular season, playoff, and tournament games:

- Waxers team jersey and socks
- Helmet with Waxers sticker

Authorized Waxers Apparel Supplier

Ruff-N-Redi is the authorized supplier of all Markham Waxers jerseys and apparel. Each coach is responsible for ensuring that no one on the team purchases any item of clothing, hockey bag, jacket, etc. from anyone other than Ruff-N-Redi. In addition, the use of the name “Markham,” “Markham Waxers,” “Markham Selects,” etc. without the use of approved Waxers logos is prohibited.

Team jersey and apparel sizing appointments are set up after evaluations. Please attend with your full team only during your scheduled timeslot. If the full team cannot attend during your scheduled timeslot, please notify Dan Daoust or Dave Day directly and arrange for another time. Do not show up during another team’s timeslot.

Jerseys

Jersey Name Bar

Name bars are not included in the cost of your jerseys. Each name bar costs \$12.00 for a one colour bar. To order name bars, provide a team list with numbers to Ruff-n-Redi. *Please check spelling!*

Jersey Sponsor bars

Sponsors can be displayed on jerseys as well as other Waxers apparel. Sponsor bars are not included in the cost of your jerseys. The price for bars with one-colour printing is approximately \$10.00. Artwork (vector format preferred) for sponsor bars must be provided to Ruff-N-Redi as early as possible. Delays receiving the artwork will result in a delay in the delivery of the jerseys.

Helmet Stickers

Teams will receive 40 Waxers helmet stickers. Additional sets of stickers may be purchased through the Waxers administrator at a cost of \$1.50/set. The association does not provide helmet numbers.

Helmet stickers are available in white for dark helmets and blue for white helmets. Please let the Waxers administrator know the quantity of each colour required.

Communication

Parent Meeting

Book a parent meeting with the team before the season start. Sample agenda items:

1. Welcome & Introductions
2. Coach's Philosophy and Season Program
 - a) Team philosophy, goals, and objectives for the season
 - b) If set, introduce the team bench staff
 - c) Expectations of the players and parents (e.g., time commitment, expected conduct, discipline, etc.)
3. Budget
4. Dress Code
5. Social events
6. Tournaments
7. Extra ice time
8. Sponsorship & Fundraising
9. Communication
10. Volunteer Opportunities
11. Question and Answer Period

Team Website

Each team is provided a team website linked from the main Waxers website. Because all scheduling will flow through the new Waxers website, it is mandatory that all teams use the Waxers team website. To get login information for your team website, email the Waxers webmaster, Deb Larsen, at larsen@waxers.com.

Each team is responsible for the maintenance of their team website. See the online administration panel Quick Help section for detailed information.

Team Registration and Rosters

Offers of Commitment

Retain all signed [Offer of Commitment](#) forms for the season.

Team Officials

A team can have up to a *maximum of five* registered team officials as follows:

- Head Coach (required)
- Assistant Coach (optional)
- Trainer (required)
- Assistant Trainer (optional)
- Manager (optional)

A team must have a head coach and trainer to be rostered. The remaining three positions can be split amongst assistant coach, assistant trainer, and manager.

For example, your roster could consist of head coach, trainer, manager, assistant coach, and assistant trainer; or head coach, trainer, two assistant coaches, and one assistant trainer; or head coach, trainer, three assistant coaches, etc.

Every game must begin with a head coach and trainer on the bench. So, it makes sense to make sure you have at least one assistant coach and one assistant trainer to fill in for the games where the head coach or trainer may be absent.

Please note that a roster can only have one manager and it is not required. No one else can ever fill in for a manager on a game sheet if the manager is absent. So, if your roster consists of head coach, trainer, manager, assistant coach, assistant trainer and your manager is absent, you will only have four people on your bench for that game. No one can fill in for an absent manager.

If you have more than five individuals who you may want to serve on a bench during the season, you can add them to the At Large roster (see below for details).

Rostered select team officials are required to volunteer on a house league team.

Bench staff from the rostered select teams will be split amongst the house league teams. This ensures that our coaching expertise is spread amongst all teams within the division.

Affiliated Team Officials

In the absence of registered team officials, it is permitted to have Markham Waxers registered team officials from another rostered select or approved house league team participate on the bench for games. A team official can only fill in for positions for which they are certified on their team roster, i.e., a coach must have the appropriate coach certification and a trainer the appropriate trainer certification.

Team Officials At-Large

The Waxers maintain a roster of at-large team officials. Coaches and trainers rostered to the approved Waxers at-large roster are eligible to register on a game report as a coach, assistant coach, trainer, or assistant trainer for a house league or rostered select team within MWHL in place of absent team officials based on their qualifications. For example, if an individual is rostered as an at-large trainer but has the proper coaching certification, he/she may fill in as either a coach or a trainer on a Waxers team in the same centre. The at-large roster will be provided to all teams. The team must have a copy of the approved electronic at-large roster on hand when someone from the roster fills in for your absent bench staff.

How to Submit At-Large Officials

If your team has qualified individuals beyond the maximum five that can be rostered to your team, add them to the at-large roster by completing the *At-Large Staff* portion of the Waxers Roster Worksheet.

On-Ice Volunteers

On-Ice Volunteers rostered as volunteers and require a PVSC as well as Respect in Sport for Activity Leaders. Please list your on-ice volunteers at the bottom of your roster worksheet. If on-ice volunteers are rostered as team officials on a house league team, you do not need to roster them to your select team.

On-Ice Instructors

If you hire on-ice instructors, which are paid by the team, they must provide proof of their own insurance to the team.

Certification

All team officials (coaches, trainers, managers, and on-ice volunteers) in the OMHA must have a minimum of Speak Out! (PRS) or Respect in Sport (RIS) certification in addition to all other certification appropriate to their position. *Please note that PRS and RIS do not expire.*

Certifications must be completed prior to submitting the team for rostering.

Coach and Trainer certifications expire August 31 five years after the certification was earned. Recertification clinics must be attended prior to August 31 or you will be required to re-take the full coach or trainer clinic.

Minimum Certification Requirements

(OMHA Regulations Appendix A)

See the Waxers website for certification requirements.

[Coach certification requirements](#)

[Trainer certification requirements](#)

[On-Ice volunteer certification requirements](#)

How to Verify Certifications

The status of a team official's certifications can be verified via [HCR 3.0 on our website](#).

Where to Obtain Certifications

The OMHA website maintains a listing of certification clinics under Bench Staff → Coaches → Education. Respect in Sport, Gender Identity, Trainers certification, and trainer refresher certification are available as online courses.

Certifications Obtained Outside the OMHA

If bench staff obtained a coach or trainer certification with an association outside of the OMHA, please complete the *Application for Conversion/Upgrade of Certification* form and forward it to the OMHA so that the certifications can be added to his/her Hockey Canada Registration (HCR) system record for rostering purposes. You may have to follow up by phone or email to be sure that the process is completed quickly.

The conversion form is available on the Waxers website.

Police Vulnerable Sector Check (PVSC)

A Police Vulnerable Sector Check (PVSC), formerly known as a Vulnerable Sector Screening (VSS), is required of all rostered team officials and all other team volunteers who engage in on-ice activities. A PVSC obtained for another organization or employer is not valid for the Markham Waxers. To verify the status of a PVSC, check your HCR 3.0 profile.

Team volunteers who are not rostered or involved in on-ice activities, such as treasurer, are not required to obtain a PVSC.

The process to apply for a PVSC is an online process. [Details are on our website](#).

If a team official's gender and date of birth matches someone in the YRP/RCMP database, he/she will be fingerprinted to process the PVSC. The YRP will waive the fingerprinting fee if the applicant presents a letter on Waxers letterhead verifying that the team official is a volunteer with the Markham Waxers. To obtain verification, complete the PVSC Volunteer Letter Request form, which may be found on our website.

PVSC fingerprint processing can take weeks and a team official cannot be rostered until the PVSC is completed—*start the process early!*

If you opted for online identity verification, the YRP will email you a PDF PVSC with a QR code. Email that original PDF to admin@waxers.com for verification. If you had to be fingerprinted or did not opt for online identify verification, you will pick up an original, embossed PVSC from YRP. Drop that original through the mail slot in the Waxers office door on the second floor of Mt. Joy Community Centre. We cannot roster you until we have the PVSC.

PVSC are valid for two seasons and expire on August 31 two seasons after the PVSC was issued. For example, a PVSC issued on August 31, 2020, December 31, 2020, or February 15, 2021 will all expire on August 31, 2022.

PVSC for Team Officials Residing in Toronto

PVSC are only issued by the municipality in which you reside. If your team has officials who reside in Toronto, please notify the administrator to obtain a personalized PVSC application form.

Reimbursement of Certification and PVSC Fees

Because all Select bench staff and on-ice volunteers must also volunteer in house league, reimbursements are processed through the association, not the team. The association covers the cost of obtaining the proper certification for an individual's rostered position, including the Police Vulnerable Sector Check. While the association reimburses for the cost of the PVSC, we do not reimburse for fingerprinting fees.

Reimbursement will be issued directly to each team official when a completed [Markham Waxers Certification Reimbursement form](#) is submitted to the Waxers treasurer by the November 1 deadline.

Team Registration

Gather the following information to register/roster your team:

- ☐ Player names, birth dates, addresses, contact information
- ☐ Markham Waxers Select Roster Worksheet
- ☐ Team official names, birth dates, addresses, contact information
- ☐ Team official and other on-ice volunteer PVSC forms

Electronic Roster

All teams are registered with the OMHA by means of an approved electronic roster that resides in the Hockey Canada Registry (HCR). The electronic roster lists all relevant player and team official information, including current certifications.

A team must have an approved electronic roster before participating in any exhibition game, tournament, or regular season game.

Bench staff cannot be rostered until all certification requirements are complete, including PVSC.

Waxers Selects Roster Worksheet

[The roster worksheet](#) provides all the information requested is needed for rostering your team in the Hockey Canada Registry and inviting families to participate in the annual coach evaluation survey. Please fill it out *completely*, including date of birth information for bench staff.

Do not change the worksheet as it is linked to other documents. List only *one* email address in the Email column. This email address will be used to invite parents to participate in the coach evaluation.

Please sort the players alphabetically by last name.

Your roster will be submitted for approval by the OMHA once all certification requirements are met, including original PVSC on file in the Waxers office. Note: It can take up to a week to get rosters approved by the OMHA once they are submitted.

Affiliated Player (AP)

An affiliate player (AP) is a player from another team within the Markham Waxers House League (MWHL) who is eligible to participate for his registered team and one other team of a higher division or category. At the select level, a player may be asked to affiliate to a Waxers AE team or, when the Waxers do not have an AE team in that division, to a Waxers A team. A player can only be rostered to a **maximum of two teams**—their regular team (house league team) and the team with which they are affiliated. Participation on a rostered select team is not considered an OMHA affiliation. (OMHA Manual of Operations 4.4 k)

While it is an excellent development opportunity, a player's primary responsibility remains with his house league team, then select team, and finally the Waxers team.

The Waxers coach will obtain the agreement of the player's Select coach *before* asking a player or his parent(s) to affiliate to their team and, once affiliated, before asking them to play or practice with his team, recognizing that the affiliated player's first obligation is to his house league and select teams. Other than for reasons of illness, an AP or RS player is not allowed to miss more than three house league games over the course of the season.

See OMHA Regulation 7.0 for more information. If you still have questions, please contact your Select Convener.

Hockey Canada Insurance Program

Hockey Canada has constructed a National Insurance Program to provide financial resources to help deal with the cost of risks which confront organized hockey. The insurance programs eliminate or minimize the potential financial burden our members may face in the event that they are injured or implicated in a civil action arising from their participation in Hockey Canada programs.

Hockey Canada and each of the Branches of which Hockey Canada is comprised is specifically named as an insured, and all sub-associations, leagues and teams which form a part of Hockey Canada. It includes any officer, director, employee, coach, volunteer worker, instructor, referee, or member of a committee while acting within the scope of his or her duties. It includes members of any teams, leagues, Branch teams, division teams, national teams or international teams provided all are registered with or affiliated with Hockey Canada. It includes any sponsor of any team or Hockey Canada, but only with respect to his, her or their liability as such; and it includes any owner of any insured team.

Note: A volunteer is a non-paid person donating his or her time and who is assigned specific duties and for whom a premium has been paid.

Hockey Canada Insurance Program Coverage

The Hockey Canada Insurance Program provides the following coverage:

- Comprehensive General Liability
- Accidental Death and Dismemberment
- Major Medical/ Dental Coverage
- Sexual Misconduct Liability Insurance
- Directors and Officers Liability Insurance

When are you covered?

- Coverage begins on September 1st and expires on August 31st.
- Hockey Canada/Branch sanctioned events (league games, tournaments, practices, training camps, sanctioned fundraisers) *when playing member teams only!*
- Transportation directly to and from the arena or venue.
- Accommodations while billeted or at a hotel during a Hockey Canada/ Branch sanctioned hockey activity.

**Note: it is very important to know when the team is dealing with a non-sanctioned event.*

For further information on the Hockey Canada Insurance Program download the '*Safety Requires Teamwork Booklet*' from Insurance Program section of the Hockey Canada website (located under *Minor Hockey*) at www.hockeycanada.ca.

Travel Insurance

It is important that teams are aware that they should purchase additional Health Insurance when leaving the country. Provincial health care plans will cover a portion of out of province medical expenses and Hockey Canada insurance has specific limits that apply once the primary insurance coverage has been exhausted.

Ice

Ice Allocation

Waxers Selects teams will receive one hour of ice per week covering the length of the house league season (September through March). Those teams whose evaluations are held in the fall will receive their ice allocation after evaluations end. The teams will be invoiced for the ice and payments are due no later than February 1. For budgeting purposes, budget 21 weeks at \$260/hour.

Frequently Asked Questions: Ice

What is extra ice? How do we get extra ice?

Once ice allocation is complete for home games and practices, Waxers may have extra ice that will be shared between the teams. The Ice Scheduler will advise all coaches of the times and arena at which ice is available. Send an email to the Ice Scheduler noting the dates you would like to book the ice.

Is early morning practice ice available?

Extra ice is always available between 6:00 am and 9:00 am on weekdays and at a good price! Please let the Ice Scheduler know if you are interested in booking morning ice.

Where do I find Waxers contact information?

On the Waxers website and on the *Waxers Executive* page of this manual.

Extra Ice

Teams that purchase extra ice must provide the following information to the Ice Scheduler for input on the team calendar.

- Arena Name
- Start Time / End Time
- Start Date / End dates
- Pad #
- Location / City

Tournaments

Teams attending tournaments must provide the following information to the Ice Scheduler for input on the team calendar.

- Tournament name
- Tournament dates - start/end
- Location (include province / state)

Once the Ice Scheduler enters the team's tournaments into the calendar, team managers will be able to add tournament information, such as arenas, times, etc. Managers can only add team events such as team functions, fundraiser, dryland, and special events to the team calendar.

Exhibition Games

All games played by select teams are considered exhibition games. Select teams are limited to three games per month.

An approved OMHA Travel Permit is required for all games scheduled outside of the York Simcoe Scheduling Meeting. There is no fee for exhibition games against teams within the OHF. The fee to obtain an OMHA Travel Permit for a game against a team outside of the OHF is \$10.

Complete the appropriate [Travel Permit - Exhibition Game form](#), which is available on our website a minimum of one week prior to the game date. Once approved, the permit will be emailed to the email address provided on the form.

Exhibition Game Referee & Timekeeper

Notify the Ice Scheduler of your scheduled game to get it added to your team calendar. Once that is done, the Referee-in-Chief and Timekeeper Scheduler are automatically notified and will arrange game officials.

Exhibition Scoring

Exhibition games in U11 through U21 will be scored using the GameSheet App on iPads.

Referees

The exhibition game home team is responsible for paying the referees. Remember to budget for referee fees for all exhibition home games.

Make sure referees arrive at your game on time. Managers may approach the referees at the referee room approximately 15 minutes before the game. This is when you should pay the referees. If there is a game before yours, the referees for your game may be on the ice. You can confirm with them after that game is finished. If you do not have the correct number of referees 15 minutes prior to your game, please call the Waxers Referee-in-Chief.

Referee Rate Schedule

Minimum referee rates are listed in the OMHA Manual of Operations, Regulation 18.5. Referees are paid according to the length of the game and the team's division and category.

Please note that OMHA Officials do not officiate in a one-man system.

Two Official System

A two-official system is used in select. Costs are per official. Referees are paid according to the length of the game and the team's division and category.

Two Official System

Game Length	10/10/10	10/10/15	10/15/15	15/15/15
U9 & below	\$24.00	\$26.00	\$28.00	\$30.00
U10	\$30.00	\$32.00	\$34.00	\$36.00

U21	\$41.00	\$43.00	\$44.00	\$48.00

Timekeeper

Timekeepers are used in exhibition games in U10 and above.

The exhibition game home team is responsible for paying the timekeeper. Remember to budget for timekeeper fees for all home exhibition games.

All timekeepers are asked to arrive at the arena ten to fifteen minutes ahead of the scheduled game time. They are instructed to go to the Timekeeping Booth on arrival at the arena, so that you can find them. Please pay them prior to the start of the game.

If the timekeeper does not arrive by five minutes prior to game time, please call or text the Timekeeper Scheduler. To be on the safe side, all teams should ensure that at least one parent or sibling (preferably 14 years or older) knows how to operate the time clock and can fill in for a missing timekeeper in a pinch.

If the team would like to have a team volunteer trained in keeping time, please contact the Timekeeper Scheduler.

Timekeeper Rate Schedule

Game Sheet App

The GameSheet digital scoring system replaces traditional paper score sheets and has two primary components.

The Dashboard Website

This is where schedules are input, score sheets are accessed and where you can manage your team's roster.

The iPad Scoring App

This is the digital version of the paper score sheet. Games are scored using this app and are uploaded upon completion to the Dashboard where they can be viewed.

Accessing the Dashboard

Dashboard access is not intended for parents or players.

Create an account by going to <https://gamesheet.app/account/new> and completing the registration form.

You will need your Team's Invitation Code — which will be shared by the Waxers Administrator. You may share this Invitation Code with others that you want to be able to view completed score sheets and/or manage your team's roster.

If you already have an account, you can update it to include this new team by clicking on your name in the top right corner of the Dashboard and then Accept Invitation.

Managing your Roster

Once you have created your account, follow the links down from Association, to League, to Season, to Season Teams and click on your team. From this page you can manage your roster. For more information on how to manage your roster, see the [GameSheet Knowledge Base article on Roster Management](#).

Viewing Completed Score Sheets

Score sheets are available in the "Completed Games" section of the Dashboard, and as a team user you are automatically subscribed to receive post game summaries via email.

More information and training resources can be found in the [GameSheet Knowledge Base](#) and in our [Training Videos](#).

Players

- All players dressing for the game are to be listed on the game sheet.
- Captains and assistant captains should be noted with a "C" or "A" beside their names on the game sheet.
- Absent player names should be noted as such on the app.

Team Officials

- All rostered team officials present at a game are to be listed on the app and must sign adjacent to their name.
- In absence of the head coach, a rostered assistant coach must be listed in the head coach section.
- Team officials will sign the game sheet according to their designation on the team roster. The only exception will be a team official rostered to the team as an assistant coach can sign in the head coach box in the absence of the rostered head coach.
- Only the individual identified as the team manager on the approved roster for the participating team is eligible to appear on the gamesheet app in the role of the manager. Individuals acting in the role of a team official (Coach, Assistant Coach, Trainer or Assistant Trainer) with another team or on the At-Large Roster of an association are not eligible to act in this role. If the rostered manager is not present at a game, leave the manager section blank.

Suspended Players and Team Officials

List suspended players and team officials on the game sheet in the Suspension area of the game sheet. Failure to do so could result in further suspensions to the players, team officials and head coach. Enter the team official or player name and #X of #Y games (where X is the number of the game being served and Y is the total number of games in the suspension)—for example, Aaron Rome 1 of 3 games.

Game Length

The length of games varies based on division and category and can also vary depending on the length of ice time assigned for the game. The length of each period is to be entered on the app. See OMHA Regulation 10.2.

Game Curfew

A game curfew is invoked when the assigned game ice time expires prior to the end of regulation time. Although game curfews are strongly discouraged, the curfew time must be entered on the game sheet and initialled by both teams before the start of the game.

Suspensions and Total Game Penalty Minutes

Suspensions

OMHA Regulation 8.0

Always check your game sheet after each game to check for suspensions. If it is unclear as to who received a suspension and/or the cause of the suspension, please verify with the referees **immediately following the completion of the game**.

Further suspensions will result to head coaches and/or players if a team official or player participates in the next game when they are considered suspended.

Assume that a player assessed a game misconduct (GM##) is out for at least the next game. See Regulation 8.0 in the OMHA Manual of Operations to verify the number of games for which the player is suspended. When in doubt, contact your Select Convener.

Please note that any suspensions incurred in exhibition games or tournaments must be served either at the tournament or in the next regular season select or playoff game(s) as applicable.

Report all suspensions to your Select Convener as soon as possible via email.

Total Penalty Minutes Incurred in a Game

Track total penalty minutes in a game. If a team accumulates a total number of penalty minutes more than either

- 26 minutes for U13 and below or
- 36 minutes for U14 and above

the Head Coach will receive an automatic game suspension for the next game.

When totalling penalty minutes, the time for misconducts, gross misconducts and game misconducts assessed to players shall not be counted. Five-minute penalties assessed to players for match penalties are counted. Any misconduct, gross misconduct, or game misconduct penalties assessed to team officials will automatically add 10 minutes to the team's overall penalty minutes in each case.

Injuries and Return to Play

Emergency Action Plan

Team trainers are responsible for developing an emergency action plan for every practice and game.

Injury Reporting

See the [Trainer's Corner](#) on the Waxers website (Resources → Trainer's Corner) for details on [injury reporting](#), arena safety plans, and more.

Accident and Insurance Reports

In the case of an accident a report must be submitted immediately following the incident or injury to the OMHA. The report ***must be received within 90 days of the date of the accident*** in order to make claims. The Hockey Canada Injury Report is available on the OMHA website. Blank copies of the form should be kept in the Manager's binder. Should an accident occur, it is easier to fill the form out at the time of the accident than it is to track down details afterwards.

The time required to process the claim will vary due to the type of claim made. This process could take 4 - 6 weeks. The OMHA is advised as to the status of each claim through periodic reports from Hockey Canada. Certainly, the time of year impacts on the speed of the process.

If receipts are available after the claim has been forwarded to Hockey Canada, the receipts can be sent to the OMHA to be attached to the submitted claim. The original receipts should make specific mention of the individual's name, date of accident, and Minor Hockey Association as identified on the original claim.

Return to Play Protocol

Any players suffering injuries should receive medical clearance, provided by a medical doctor's note, before being allowed to return to practice or games. This includes strains, sprains, fractures, and in particular concussions. In the case of concussions, the return to play protocol outlined in the HTCP Trainers Manual should be followed.

Medical clearance also pertains to any injuries obtained outside of hockey. Adherence to this protocol protects the players from returning to play too soon and further injuring themselves. In addition, it protects team officials in the event a player re-injures himself as a result of returning to play without medical clearance.

General Information

Rostered select teams are limited to participating in up to three (3) tournaments per season. **Teams are also limited to attending tournaments on non-house league weekends such as pre-season, Christmas break, March break, and post-season.**

Travel Permits

The team requires a travel permit to participate in a tournament. You will need to provide a copy of your travel permit to the tournament organizer before the start of the tournament.

There is no fee for tournaments hosted by OMHA centres. There is a \$20 fee for all non-OMHA tournaments. Teams will be invoiced for the permit fee.

Complete the appropriate [Travel Permit - Tournament form](#), which is available on our website a minimum of one week prior to the tournament start date. Once approved, the permit will be emailed to the email address provided on the form.

Arrival at the Tournament

Once you arrive at the tournament you must provide the following. Keep a copy of each for your records.

- Travel permit
- Electronic team roster
- Tournament registration form that shows you completed your registration for the tournament
- Tournament registration fee payment receipt

Team Player Sign-In

Team players sign in for the tournament: This will vary from tournament to tournament. It may be completed ahead of time or at the tournament before the first game.

Tournament Schedule

Keep your listing of parent cell phones handy. Schedules and game times at tournaments change and updates will need to be relayed to all families in a timely manner.

Hotel Accommodations

Many tournaments have a list of sanctioned hotels that teams must pick from to stay in. Book your hotel accommodations early for the best choice.

Most tournament hotels will hold a block of rooms for you and the parents can call the hotel to provide their credit card to hold the room. Other hotels want you to complete a rooming list, so all the families provide their information to you.

Before you book the hotel for your team, ensure that you are familiar with the cancellation policies of the hotel. They will vary from hotel to hotel.

Consider booking an extra parent/team room. The team pays for this room—it is worth every penny! This allows your players to get to bed early without being in the central party room and gives parents a place to go so they are not bothering hotel security. Please keep in mind that some hotels do not allow teams to book a room like this.

Parking at Markham Community Centres

If you're taking a bus to a tournament and would like to park cars overnight in a Markham Community Centre parking lot, you will need overnight parking permits. Please provide the administrator with the following:

- Number of cars to be parked overnight
- Make, model, and license plate of each car
- Team contact person name and contact information

The team contact person must be able to contact the owners of the cars while away at the tournament.

The administrator will provide the team with approved parking permits that should be placed on the car dashboard while the car is parked in the community centre parking lot.

Miscellaneous

Coach Evaluation

Families on Waxers teams will be invited to participate in the annual coach evaluation via an email sent to the email address provided on the Waxers Roster Worksheet. Two invitations will be sent: one to participate in the parent survey and a second to participate in the player survey.

Regulation Handbooks

The OMHA Manual of Operations is available as a pdf download on the OMHA website from the Administration menu.

The OHF Handbook is available on the OHF website from the OHF Admin menu, then select Rule Book.

Hockey Canada's Official Playing Rules can be downloaded from the Hockey Canada website. There is also a downloadable Rule Book app for the android and iPhone.

Markham Waxers Pins

Each team receives 25 pins as part of their team fees.

Extra pins are available for purchase at \$1.00 per pin. To order pins, please send an email request to the administrator at admin@waxers.com.

Team Photos

Scheduling team photos is the responsibility of individual teams. You may use the photographer of your choice.

Dates to Remember

The OMHA prints a handy table of dates to remember as an Appendix to the Policies and Procedures section of the *OMHA Manual of Operations*.

City of Markham Arenas

When we rent ice from the City of Markham, we rent the ice surface and the dressing room(s). This does not give us permission to use the arena as a running track nor to use empty meeting rooms for warmups or meetings.

Team officials and players are responsible for the condition of the dressing room assigned to them for practice and home games. Tape, paper, and garbage should be placed in the waste containers. Dressing rooms are to be left clean and orderly. Any damage to dressing rooms or arena will be billed directly to the team.

Dressing rooms should be locked while the team is on the ice, both practice and games. Team managers are advised to carry their own lock for dressing rooms as some arenas may not be properly equipped.

No player is allowed on the ice until the Zamboni is off the ice surface and the door to the Zamboni chute is closed.

No player is allowed on the ice without a team official present.

Parents are not allowed on the bench, even during practices.

City of Markham Community Centre Room Rental

If you want to rent a City of Markham community centre room or facility, such as the soccer field at Mt. Joy, please complete the Room Rental Request form, which is available on our website. You must request the rental through the Waxers administrator in order to receive the discounted Waxers rate. Please allow a minimum of one week to book a room. The team will be invoiced for the cost of the contract.
