Online Registration

Intro

Welcome to HCR 3.0!

This upgraded version of the Hockey Canada Registry (HCR) replaces and integrates three separate platforms: HCR 2.0, HCR Online Registration, and eHockey. All information that previously was stored in these three platforms has been consolidated into HCR 3.0.

You should find that the new online registration process has eliminated the repetitive entry of data and is much easier to use.

Let's get started!

The screenshot shows the website for the Markham Waxers House League, which is part of the Ontario Hockey Federation. The top banner features a repeating pattern of hockey-related icons (hockey sticks, pucks, helmets, skates, etc.) and the league's logo. Below the banner, the text reads "MARKHAM WAXERS HOUSE LEAGUE" and "ONTARIO HOCKEY FEDERATION". A "Visit website" link is visible in the top right corner. On the left side, there is a navigation menu with two sections: "Overview" containing "Home" and "Contact", and "Registration" containing "Participant". The main content area features a large "Register Now!" button with the league logo to its left. Below this, there is a red button labeled "View Online Stores".

Create an Account

When you first click the registration link from our website, you will be taken to the **Register Now!** page.

Click the **Login** link in the upper right corner to create an account.

Everyone must create a new account.

Your login credentials from the old online registration system are no longer valid.

The screenshot displays the Markham Waxers House League website. In the top right corner, there is a search icon, the text "FR", and a "Login" link, which is circled in red. Below the header, the Markham Waxers logo is visible on the left, and the text "MARKHAM WAXERS HOUSE LEAGUE" and "ONTARIO HOCKEY FEDERATION" is centered. A "Visit website" link is on the right. The main content area features a "Register Now!" button with a red background and a "View Online Stores" button below it. On the left side, there are navigation menus for "Overview" (with "Home" and "Contact" links) and "Registration" (with a "Participant" link). At the bottom, there is a footer with the text "Powered by Spordle ©2021 Spordle Inc. All rights reserved." and the "spordle" logo.

Create an Account

Click on the **Sign up** link and complete the sign up form.

Please use a personal email when setting up your account. Work emails change and make password recovery difficult. The Waxers no longer have the ability to look up or change passwords.

Note: ensure that the email is valid and that you have access to it. A verification code will be sent in the next step!

The password must have the following:

- 8 characters
- 1 Upper case letter
- 1 lower case letter
- 1 number
- 1 special character (e.g. *^_?, etc.)

Once completed, click the **Sign up** button.

Enter their first name the way it was set up when they first registered in hockey. For example, if your son's name is John but you registered him as Johnny when he was 5, his HCR record will be under Johnny not John. Enter their last name, date of birth in YYYY-MM-DD format and click the **Search** button.

Typically only your player will show up, but there may be multiple options. The default selection should be the correct one based on the birth year. Please read and confirm your player.

Once located, HCR will display a list of available registrations based on the player's year of birth. The default selection should be the one based on the player's birth year. However the system has been showing multiple options. You must select the registration based on your child's birth year. **READ and CONFIRM** carefully!
